

**Policy 605.4: Technology and instructional Materials**

Status:  
ADOPTED

Original Adopted  
Date: 8/5/2022

The board supports the use of innovative methods and the use of technology in the delivery of the education program. The board encourages employees to investigate economical ways to utilize multimedia, computers, and other technologies as a part of the curriculum.

It is the responsibility of the CEO to develop a plan for the use of technology in the curriculum and to evaluate it annually. The CEO will report the results of the evaluation and make a recommendation to the board annually regarding the use of technology in the curriculum.
